PARENTING EDUCATION PROGRAM

Our parenting education program is designed to prepare moms and dads to meet the physical and emotional needs of their children through focused classes, dedicated support, and material assistance.

In addition to parenting classes, participants build a one-on-one relationship with a trained advocate and gain access to valuable resources including healthy lifestyle workshops, group classes, and more.

ELIGIBILITY Any parent expecting a baby or raising a child under age one

ENROLLMENT Call 717.394.1561, option 2
